### **NOTES ON THE LISTS**

1. All photos are ¾ front views unless otherwise stated.
  2. Colour photographs are identified by a '(C)' after the reference number.
  3. Vertical format prints are identified by a 'VF' after the reference number.
  4. Vertical format colour prints are identified by a 'CVF' after the reference number.
  5. A quality grading code is being gradually introduced to assist you in choosing your requirements. The codes are:
    - VG Very good – good lighting and all details clearly visible
    - G Good – similar to VG but not quite optimum conditions
    - FG Fairly good – some parts, i.e. under-frames etc may be in shadow or details unclear
    - F Fair – Subjects where buffers, chimneys or tenders etc have been cut off but otherwise are of reasonable quality
    - P Poor – Prints of interesting or unusual subjects of a quality, which would not normally be included in the catalogue.
- (R) Indicates loco is in rebuilt form.
