R.C.T.S. PHOTOGRAPHS – ORDERING INFORMATION

The society has a collection of negatives dating from pre-war to the end of the 20th century. The negatives, which are mainly the work of late members, are arranged in nine lists. They are:

- List 1 Steam locomotives
- List 2 Diesel locomotives and DMUs
- List 3 Electric locomotives and EMUs (including some trolley buses)
- List 4 Coaching stock
- List 5 Rolling stock (other than coaching stock)
- List 6 Railway buildings
- List 7 Signals and signalling equipment
- List 8 Overseas railways
- List 9 Miscellaneous subjects (mainly railways but including a few road vehicles)

LISTS

Lists may be downloaded from the web site but may also be ordered from photoarchive@rcts.org.uk. Lists can be supplied by any of the following methods :

1. By email attachment as zip files (free of charge but please note that recipients will require the appropriate software to extract the lists)
2. By email attachment as a self-extracting zip (.exe) files (free of charge)
3. On CD (a charge of £3.50 inc P&P will be made for delivery by CD)

PRICING INFORMATION

Refer to the order form on the website (<http://www.rcts.org.uk>) for current prices.

NOTES ON THE LISTS

1. All photos are ¾ front views unless otherwise stated.
2. Colour photographs are identified by a '(C)' after the reference number.
3. Vertical format prints are identified by a 'VF' after the reference number.
4. Vertical format colour prints are identified by a 'CVF' after the reference number.
5. A quality grading code is being gradually introduced to assist you in choosing your requirements. The codes are:
 - VG Very good – good lighting and all details clearly visible
 - G Good – similar to VG but not quite optimum conditions
 - FG Fairly good – some parts, i.e. under-frames etc may be in shadow or details unclear
 - F Fair – Subjects where buffers, chimneys or tenders etc have been cut off but otherwise are of reasonable quality
 - P Poor – Prints of interesting or unusual subjects of a quality, which would not normally be included in the catalogue.
 - (R) Indicates loco is in rebuilt form.
