NOTES ON THE LISTS

1. All photos are ¾ front views unless otherwise stated.
 2. Colour photographs are identified by a '(C)' after the reference number.
 3. Vertical format prints are identified by a 'VF' after the reference number.
 4. Vertical format colour prints are identified by a 'CVF' after the reference number.
 5. A quality grading code is being gradually introduced to assist you in choosing your requirements.
The codes are:
 - VG Very good – good lighting and all details clearly visible
 - G Good – similar to VG but not quite optimum conditions
 - FG Fairly good – some parts, i.e. under-frames etc may be in shadow or details unclear
 - F Fair – Subjects where buffers, chimneys or tenders etc have been cut off but otherwise are of reasonable quality
 - P Poor – Prints of interesting or unusual subjects of a quality, which would not normally be included in the catalogue.
- (R) Indicates loco is in rebuilt form.
